

BILBROOK PARISH COUNCIL

War Memorial - Wreaths and Tributes Policy

This policy relates to Bilbrook War Memorial, Bilbrook Village Green, Bilbrook.

Bilbrook Parish Council has resolved that wreaths and crosses laid on Bilbrook War Memorial on Remembrance Sunday by local organisations and individuals should be left on the war memorial all year round.

If during the year, however, the wreaths or crosses are damaged this is deemed to be disrespectful and they will be removed by Parish Operatives.

The Parish Council will lay a Royal British Legion remembrance wreath on Remembrance Sunday and a Christmas wreath in December of each year on behalf of the People of Bilbrook. The Christmas wreath will be removed after Christmas. The Parish Council will also plant floral displays on the War Memorial in summer and winter of each year.

The public is welcome to lay cut flowers on the War Memorial throughout the year, however these will be removed if deemed by the Parish Council to be an unsuitable tribute or if they have withered.

No artificial flowers (other than Royal British Legion wreaths or crosses), ornaments, windmills, lanterns, wind chimes, flags or balloons or anything deemed to be unsuitable are to be placed on or around the War Memorial.

The Council shall not be held responsible for any damage or breakage which may occur to any tribute left on the War Memorial through any cause whatsoever.
