BILBROOK PARISH COUNCIL NEWS

Welcome to the Bilbrook Buzz. This newsletter has been started by Bilbrook Parish Council to engage better with the community it serves and to gauge the interest of residents in forming a Neighbourhood Plan.

A Neighbourhood Plan lets residents have more of a say in the future of Bilbrook. For example, it allows the community to encourage developers to build what our community needs and wants. (such as greater numbers of affordable houses, developments more suited to elderly residents etc.) It also helps set out areas of open spaces to be protected.

Bilbrook Community Event to celebrate the Queen's Platinum Jubilee

Friday 3rd June 2022

THE QUEEN'S PLATINUM JUBILEE JUNE 2022

In 2022, Her Majesty The Queen will become the first British Monarch to celebrate a Platinum Jubilee; seventy years of service, having acceded to the throne on 6th February 1952 when Her Majesty was 25 years old.

The Parish Council has set up a working group to organise a community event to mark the occasion on **Friday 3rd June 2022**. Please email the Parish Council if you are interested in joining the working group, having a stall or providing entertainment.

BILBROOK
 PARISH COUNCIL

The Parish Council is the first tier of local government. There are 27 Parish Councils in South Staffs, of which Bilbrook is one.

Parish Councils form an important part of the local government system, particularly in rural areas ensuring communities like Bilbrook have a voice.

Central Government increasingly recognizes the value of parish councils, who can make decisions and spend money on matters that make a real difference to their local community. Find out more about your local Councillor at www.bilbrookparishcouncil.gov.uk/your-parish-council/council-members/

UPGRADE OF BILBROOK PLAYPARK

The Playpark at Bilbrook was installed in 2013. It is well used and popular with local children, however, we want to make it more inclusive to enable children – no matter their ability – to play together. In addition to this, some equipment is starting to look a bit tired and needs renewing or replacing. therefore the Parish Council has decided to upgrade the play Park subject to obtaining funding.

The Parish Council would like to hear from local children, families and schools regarding what you like and don't like about the existing Playpark and what equipment you would like installed. Please follow the link below to complete the full form:

www.bit.ly/PlayParkConsultation or complete the shortened form below and return it to us at Bilbrook Parish Council, Bilbrook Village Hall, Joey's Lane, Bilbrook, WV8 1JL. The closing date is Sunday 26th September

BILBROOK ALLOTMENTS

There is nothing like growing seasonal fresh fruit and vegetables. When picked and eaten soon after, they are much tastier than shop-bought produce. There are other benefits too:

- Working your plot will keep you physically fit.
- Being in the sunshine is a good source of Vitamin D.
- Being outside is good for your mental health and instils a sense of wellbeing and calm.
- Working your plot with your family can be fun and is an excellent way of bonding with them.
- You will meet other plot holders of a variety of ages and backgrounds.

How much does it cost? The cost from April 2022 will be £20 for the year for a half plot.

How to apply for an allotment? There is currently a waiting list in operation. Please email clerk@bilbrookparishcouncil.gov.uk or follow the link below to join the list.

ROADSIDE VERGES

One topic that the Parish Council receives the most complaints about is the grass verges. Although the grass verges around the Parish are owned by Staffordshire County Council and maintained by South Staffs Council, the Parish Council still has a say in their maintenance.

When we talk about cutting the verges, we divide them into those that are short cut (currently eight times a year) mainly to improve visibility for road users and those that are tall cut (twice a year)

Tall cut verges are left uncut between spring and late summer to allow wildflowers to grow and support an abundance of insects such as bees and butterflies. In Bilbrook four areas have been designated as tall cut verges - Duck Lane, Bilbrook Road, Lane Green Road and Wobaston Road.

Drop us an email and let us know what you think. clerk@bilbrookparishcouncil.gov.uk

With over 97% of meadows destroyed since the 1930s, road verges are a vital refuge for pollinators and other wildlife.

WELCOME BACK FUNDING

Bilbrook Parish Council were successful in their bid for funding to improve the centre of Bilbrook and make it more welcoming to visitors. The Parish Council has so far used the funding to purchase a bench and plants for the Village Green and is about to embark on a programme of cleaning and weeding the pavements around the centre of the Village.

JOIN OUR NEIGHBOURHOOD PLAN STEERING GROUP

WHAT IS A NEIGHBOURHOOD PLAN?

A Neighbourhood Plan is a document describing the desired plans for a village over a 5-10 year period and covers those areas the majority of residents feel are important. It covers topics such as housing and development, schooling and amenities, environmental protection, transport and highways. The document requires substantial consultation with everyone in the village. It also involves planning and work to bring it all together.

Once the village has agreed on its content, South Staffordshire District Council must approve it. It is not a way to get property development through and pass unwanted schemes in the village without consultation. Equally, it can not stop development that is already planned.

Due to the work involved in producing a Neighbourhood Plan, additional people to Parish Councillors are needed. To work effectively the steering group membership should be between 10 and 15 and ideally reflect the character and diversity of the local population, with people from different places in the area and different sections of the community.

Relevant skills and experience that may be useful to the steering group include:

- project management
- familiarity with the planning system
- community engagement
- marketing, promotion and consultation
- expertise in specific topic areas.
e.g. planning, transport, the environment.
- writing, editorial, graphic design skills
