Application form received (sign and date):

Application meets entry criteria (sign and date):

Application successful/unsuccessful (sign and date):

Scoring Criteria

- The extent to which the project supports climate change mitigation and/or adaptation.
- How the project will contribute to the theme of the funding category.
- Any additional benefits, and the impact, longevity and reach of all benefits.
- Where the project will be delivered and the need for the project in that location.
- Accessibility of the project and it's benefits to the community.
- Value for money.
